International & Domestic Forwarding

ABOUT US

PT. Smart Intercontinental Logistics (SIL) is an international and domestic freight forwarding company established with a clear vision: to become a globally recognized logistics organization with strong representation in major ports around the world. Supported by a robust marketing division and a highly professional operational team, SIL is committed to delivering logistics solutions that are reliable, efficient, and competitive. With more than 10 years of combined industry experience, we ensure that every shipment entrusted to us is handled with precision, care, and accountability. From small-scale shipments to complex logistics projects, SIL consistently upholds the highest standards of service, ensuring cargo safety, regulatory compliance, and on-time delivery. Our long-term objective is to grow sustainably and be recognized as one of the leading international forwarding companies, trusted by both global and local business partners.

VISION & MISSION

OUR VISION

To become a trusted and globally recognized logistics partner, delivering smart, reliable, and integrated logistics solutions that empower businesses to grow beyond borders.

OUR MISSION

- To provide efficient, secure, and timely international and domestic logistics services tailored to our partners' needs.
- To deliver smart logistics solutions through professional teams, advanced coordination, and continuous improvement.
- To build long-term partnerships based on trust, transparency, and mutual growth.
- To continuously enhance service quality, operational excellence, and cost efficiency.

OUR CONCERN

At SIL, our priority is creating value for our business partners. We are fully committed to providing the best price and the best service solutions tailored to each customer's needs. We believe that logistics is not merely about transportation—it is about building strong, long-term partnerships. By continuously transforming opportunities into mutually beneficial collaborations, SIL aims to support sustainable growth for our partners and our organization.

OUR COMMITMENT

Listen - Solve - Empower

Our commitment is to listen carefully to your needs, deliver effective solutions, and empower your business to grow stronger and more sustainably.

Listen to Our Business Partners' Problems

We take time to carefully listen, understand, and analyze every logistics challenge faced by our customers. Clear communication and deep understanding form the foundation of every successful solution we provide.

Provide the Right Solutions

Our experienced team evaluates every situation in detail, offering practical, efficient, and customized logistics solutions that align with operational and business objectives.

MAKE YOUR OWN PRICE!

We offer flexible and transparent pricing options, enabling our partners to optimize costs while maintaining service quality and improving overall profitability.

PRODUCT & SERVICES

Sea Freight

As an experienced international freight forwarder, SIL provides comprehensive sea freight solutions designed to meet diverse customer requirements.

Our services include:

- Export & Import shipments
- FCL (Full Container Load) and LCL (Less than Container Load)
- Overseas agency handling
- Dry container and reefer container services

Our sea freight services ensure cost-effective, reliable, and secure transportation across global trade routes.

Air Freight

Our Air Freight solutions are designed for speed, reliability, and efficiency. SIL ensures that time-sensitive cargo reaches its destination promptly while maintaining strict handling and safety standards.
